DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

A Report on Three-day workshop on Rapid Mobile Application Development (11th to 13th March, 2019) in collaboration with Computer Society of India

Three-day workshop on “Rapid Mobile Application Development” was organized by department of CSE on 11th to 13th March, 2019 in association with CSI Student Chapter and Chalapathi Institute of Engineering & Technology.

The session was started at 09:00am on 11th March in CIET Laboratory-9 (A-Block) & APSSDC Lab. The Program was hosted by Sri T. Pawan Kumar garu, Sri S. Siva garu, Trainer cum Developer, APSSDC. First day of workshop on 11th March 2018 was inaugurated by Sri.Y.V.Anjaneyulu garu, President, Chalapathi Educational Society, Prof. M. Chandrasekhar, Principal CIET, Dr.K.Kiran Kumar garu, HOD-CSE,CIET. They advised the students to make use of the Workshop and gain much knowledge in App Development.

In first Day morning session of the event Sri T. Pawan Kumar garu, Sri N. Siva garu gave a brief introduction about Mobile Application Development. Afternoon was started at 01:30 PM in CIET with an interactive session by Sri. T. Pawan Kumar. He had explained the importance and carrier opportunities with Android App development in today’s smart world. The session continued till 05:00pm with demonstration class of Android app development.

The second day of the workshop was scheduled from 9.00 am to 05:00 pm with live demonstration and lab sessions. This workshop provided practical exposure to the students in Android app development using Android Studio. The resource person has given good source of knowledge to students and students took this opportunity as a challenge and developed apps and loaded them on their mobiles in essence of time during the session.

At the end on Third day, valedictory function was organized and the chief guest of the function Sri. D.Vinay Kumar garu, Director, Chalapathi Educational Society thanked the resource persons and all the students were given participation certificates and the workshop closed by 4:15pm. Sri. D.Vinay Kumar garu and Dr.K.Kiran Kumar garu viewed all the apps that are designed by the students and appreciated them for creating such a wonderful apps. Sri. D.Vinay Kumar garu advised the students to develop the apps that are useful to the society.

Around 72 students from CSE department attended the workshop and acquired good amount of knowledge in Android app development. Students felt that this value added workshop on android mobile app development was very much useful for them. Entire workshop was coordinated by Dr. K.Kiran Kumar, HOD-CSE, CIET. We thank each and every faculty who has put their sincere effort to make this event successful.
