Cyber Security

12th May-2020

in Collaboration with

Computer Society of India, Hyderabad Chapter.

A FDP on Cyber Security was organized by the department of CSE on **12th May-2020** in Association with CIET CSI Student chapter and CSI Hyderabad Chapter..

The session was started at 10:00am. The programme was started by the CEO of the college Dr.B.Raveendra Babu and Principal Dr.M.Chandrasekhar. The host is Mr.D.Sai Satish from Indian Servers. In the first session of the FDP, faculty are given overview of the different attacks that are happening and how we can protect ourselves from the attacks. The programme went very well by showing all the live content and he also told how to see whether any malware is installed in our system and mobile also. Some demonstrations were given by the interns of Indian servers on the network malwares. The session continued till 4 PM and concluded with vote of thanks by Professor & HOD of CSE, Dr.K.Kiran Kumar.

About 411 faculty participated from 21 different states and also from government organizations like DRDO and software companies like COGNIZANT, TCS, etc. and acquired good amount of knowledge. Entire programme was coordinated by Dr. K.Kiran Kumar, HOD-CSE, CIET. We thank all the participants for making this event successful. Finally, there was a good feedback for the FDP conducted.
