DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

A Report on 3 day workshop on

Responsive Web App Development from Bootstrap

30th May-2020 to 1st June 2020

in Collaboration with

Computer Society of India & Swecha.

A 3 day workshop on Responsive Web App Development from Bootstrap was organized by the department of CSE on **30th May-2020 to 1st June 2020** in Association with CIET CSI Student chapter and Swecha.

The session was started at 10:00am. The FDP was started by the CEO of the college Dr.B.Raveendra Babu and Principal Dr.M.Chandrasekhar. The host is Mr.Sripath Roy and Promod from Swecha. In the first session of the workshop, students & faculty are given overview of the web apps. The objective of the programme is to bulid a responsive web application with confidence.

On Day 1, the tools that are needed to develop the web app are discussed with live examples. On Day 2, Everyone started building the web app and the complete procedure how to build the web app is discussed. On Day 3 also building the web app procedure continued and different concepts like how to make it responsive, how to host it, what are the things that are needed to host etc are discussed. The session was concluded with vote of thanks by Professor & HOD of CSE, Dr.K.Kiran Kumar.

About 288 students & faculty members from 90 colleges allover India have participated and acquired good amount of knowledge. Entire programme was coordinated by Dr. K.Kiran Kumar, HOD-CSE, CIET. We thank all the participants for making this event successful. Finally, there was a good feedback for the FDP conducted.
