

CHALAPATHI INSTITUTE OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

A Report of webinar on
Exploring Internet and Innovation
(18th June-2021)
in Collaboration with
Computer Society of India

A Webinar on **Exploring Internet and Innovation** was organized by the Department of CSE on 18th June 2021 in association with CSI Student Chapter and Chalapathi Institute of Engineering & Technology.

The session was conducted in online platform Zoom and YouTube. The Program was hosted by Mr.Sai Satish, Founder and CEO of Indian Servers. The webinar was inaugurated by Dr. B. Raveendra Babu, CEO, Dr.M.ChandraSekhar, Principal and Dr.K.Kiran Kumar, HOD-CSE.

In this session, Sai Satish, Founder and CEO of Indian Servers started with showing names of the books i.e Exploring Internet and Hacking Secrets , written by him that are available in online. He explained about how to explore websites and how to filter the goggle by using some live examples like how to check how many ppts are present in a site. He also explained about the google dark and different open resources (websites) present in internet like how stuffworks.com, e-yantra.com, open culter.com for educators.

About 2922 students and faculty participated from various Engineering Colleges across the India and acquired good amount of knowledge. Entire Webinar was coordinated by Dr. K.Kiran Kumar, HOD-CSE, CIET.
