Meeting Details:

The T&P cell goal is defined to achieve the maximum eligible students either to be placed or should be guided for the higher education.

student are advised not to have very high salary expectation in first job.

the department suggested students to take up the first offer they get, irrespective of salary and after getting experience, shift to big company with big package.

It is clearly instructed that no student shall be absent for the training sessions.

the student who is absent for training without proper Reason will disqualify from placements.

TPO along with all student & faculty members decide to organise the training at the earliest.

All the probable visiting companies are listed by TPO was announced.

HOD - Training & placement intimated that proper practice should be done by all students.
