STUDENT ACHIEVEMENTS

FOUNDER'S DESK

FROM CHAIRMAN

"I am greatly honoured to serve the society as President of CHALAPATHI INSTITUTE OF TECHNOLOGY AND ENGINEERING at Chalapathi Nagar Lam. At CIET, students are trained to become not only efficient Engineers but also good people who render great service to the humanity in all aspects. As production, software and service industries are shifting to India, our country needs lakhs of Engineers to fulfil the demand. These Engineers need to be creative in thinking, innovative in execution, proficient in oral and written communication, able to work for longer hours effectively in teams on multi-disciplinary projects. In fact, these are our core teaching values at our CHALAPATHI INSTITUTE OF ENGINEERING AND TECHNOLOGY"

ABOUT SECRETARY

Sri. Y. Sujith Kumar M.B.A (USA), Secretary & Correspondent of Chalapathi Institute of Engineering & Technology, Guntur

"Young and energetic personality making expeditions into the field of education. Obtained his MBA from USA and left the green pastures while doing a lucrative job in USA. It is his deep-rooted academic interest that fuelled his endeavours in the field of education. His vision is that our nation needs virtuous men and women who can be professionals and entrepreneurs".

ACADEMIC COUNCIL'S DESK

FROM PRINCIPAL

“Education is the passport to the Future, for tomorrow belongs to those who prepare for it today.”

“TARANGALU”

It encloses the activities such as FDP, conferences attended and paper published in International and National journals by staff members and competitions won by the students and innovative projects carried out by them. I, take this opportunity to thank all the stakeholders for showing interest and continuous support. I extend my best wishes to all students in their chosen career path and I am sure the college will scale up to greater heights in the years to come and serve many more in the society.

Electronics and Communication Engineering was established in the year 2007. It gives me immense pleasure to lead the Department of Electronics and Communication Engineering. I am sure you will feel assured about the excellent infrastructure and academics. The department offers B. Tech (ECE) with intake of 180 students. The department has been accredited by NBA. The college also accredited by NAAC with A grade in AY 2016-17. The department has state-of-the-art laboratory facilities in the constitution with industry to support the academic programs. Our faculty members have excellent academic credentials and are highly regarded. Our department looks forward to impart quality education to the students to solve technological challenges of the society.

FROM HOD

ABOUT THE INSTITUTE

Chalapathi Institute of Engineering & Technology (CIET), is located at Lam, Guntur, 5 Km from the heart of the city. The college was established in the year 2007. It is affiliated to Acharya Nagarjuna University and approved by AICTE, and accredited by NBA. The main aim is to create unique environment conducive to learning and committed to excellence. The college bestows an erudite atmosphere crafted with ethics, to adorn the education of the students. The college is geared up with excellent facilities and state-of-the-art infrastructure. It inculcates research attitude within the students and concurrently nurtures them with industry-demanding calibre.

To emerge as an Institute of Excellence for Engineering and Technology and provide quality education, entrepreneurial and research opportunities to the students in catering the needs of society.

To be a student centric institute imbibing experiential, innovative and lifelong learning skills with academic rigor.

To Produce graduates who are knowledgeable, innovative and empathetic.

To inculcate entrepreneurial attitude and values amongst Learners.

ABOUT THE DEPARTMENT

The Department of Electronics and Communications Engineering has been functioning since the beginning of the college i.e., from the Academic Year 2007-08 with an intake of 60. The intake was increased to 120 from the academic year 2009-10 the intake was increased to 180 in the academic year 2019-20. The department has well qualified, experienced and dedicated faculty and three faculty are doctorates and some of them are pursuing Ph. D in different streams. ECE department is offering M. Tech course in VLSI and Embedded systems from A.Y. 2012-13 with an intake of 18. Our students got University First, Fifth and Sixth Ranks. One student has received Pratibha Puraskar Award from the Govt. of AP.

VISION

Emphasize best practices towards technical knowledge, analytical and practical skills necessary to meet the demands of Electronics and Communication Engineering industry.

MISSION

DM1. Provide Quality education with qualified and dedicated faculty.

DM2. Collaborations with industries/ organizations and provide trainings / Internships to meet the demands of industry.

DM3. Create a research environment of excellence.

Program Educational Objectives (PEOS) :

PEO1	Graduates shall excel in electronics and communication engineering profession through holistic education.
PEO2	Graduates shall have foundation to solve engineering problems, to carry out innovation, entrepreneurship, independent research, and to pursue higher education.
PEO3	Graduates shall have good scientific engineering breadth to provide solutions for real-time engineering problems using the state-of-the-art tools.
PEO4	Graduates shall become engineering professionals with ethics and critical soft skills.
PEO5	Graduates shall be groomed to have moral values with awareness of excellence, societal concern and engage in life-long learning.

DEPARTMENT ACTIVITIES ***(SEMINARS / WORKSHOPS)***

Transition from school to college life is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university / college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role. Due to Covid'19 situation as per AICTE guidelines, Workshops and seminars conducted through online platform for all students of Chalapathi Institute of engineering & Technology who were admitted in academic year 2025-2026 and the list of seminars and workshops is listed in the following page.
