DEPARTMENT ACTIVITIES (SEMINARS / WORKSHOPS)

Transition from school to college life is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university / college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role. Due to Covid'19 situation as per AICTE guidelines, Workshops and seminars conducted through online platform for all students of Chalapathi Institute of engineering & Technology who were admitted in academic year 2023-2024 and the list of seminars and workshops is listed in the following page.
