

WOMEN EMPOWERMENT CELL

The safety and security of girl students is a prime concern of our institution. The institution aims to groom students to be self-reliant, respectful for cultural diversity, aware of their social and civic responsibilities and gender sensitive. These have the highest regard for women safety, security, and environmental consciousness. Keeping the above in mind the following practices are being implemented.

- Separate and secured hostels are available for girl students within the campus.
- Class room arrangement is made in such a way that girl students are comfortable.
- Internal Complaints (Grievances) Committee (ICC) is operating in the institution for attending to the problems of girl students.
- Women Empowerment / Sexual Harassment /Gender Equalization Committee is also available for addressing the specific needs of women faculty and girl students.
- Every year women's day is celebrated and inspiring women personalities are invited to share their life experiences.
