It gives me immense pleasure to lead the Department of CSE. The department offers B.Tech-CSE and M.Tech-CSE. The aim of the department is to provide high quality education along with training the students with all the new advancements in computer science. The excellent infrastructure, the teaching faculty of the best kind of the department institutes quality education.

OUR VISION: To produce professionally competent, research oriented and socially sensitive engineers and technocrats in the emerging technologies.

OUR MISSION:

DM 1: State of art laboratories to meet the needs of the continuous change.

DM 2: Provide a research environment to meet the societal issues.

DM 3: Facilitating collaborations/MOU'S towards emerging technologies.

PROGRAM EDUCATIONAL OUTCOMES

PEO-1: Graduates shall excel in computer industry profession or higher studies through quality education.

PEO-2: Graduates shall analyze real life problems, design computing systems appropriate to its solutions by exhibiting professionalism and team work.

PEO-3: Graduates shall demonstrate their ability to a rapidly changing environment by engaging in life long learning.

PROGRAM OUTCOMES

Engineering Knowledge

Problem Analysis

Design/Development of Solutions

Conduct Investigations of Complex Problems

Modern Tool Usage

The Engineer and Society

Environment and Sustainability

Ethics

Individual and Team Work

Communication

Project Management and finance

Life-long learning
