complaint: High cost of records and students(us) are not able to afford to buy all the required materials for our classes

complaint: Lack of Career service support
It's hard to navigate and understand the opportunities.

complaint: Limited access to mental health services
we need teachers talking about it

complaint: Poor wifi connection on Campus.
The wi-fi is very slow making it difficult to study or attend to our projects

purchasing records at once (All) results in low investment from students side

Recently, there was a Innovation workshop conducted to students where they explored their possibilities and understood the path

provided Yoga classes and made students understand the importance of meditation and how to maintain good mental health

The department has alerted, and worked on upgrading routers and boosting the wi-fi signals.
